"It is my promise to provide every patient with hope and improvement. My experience as a physical therapist ranges from a multitude of treatment settings including hospitals, outpatient clinics, long-term facilities and home care. Through my 13 years of experience practicing as a physical therapist, I find it is extremely important for me to give every patient all the care, one-on-one."

Renee Labib, RPT

Michigan Board Certified Physical Therapist
Bachelor of Science from MUST University, 2004

"Being a physical therapist is more than a job to me, it is a commitment that I take very seriously. My goal as a physical therapist is to help every patient to relieve from their pain and stiffness and return back to their normal activities. I believe there is nothing impossible as I treat every patient considering him or her as one of my own family."
